Map your Steve Orr, Chris Mumme, Tom and Sheri Luksha attended the Map Your Neighbor	rhood
Neighborhood  train the trainer course in Helena recently. Steve presented the 9 steps to the program and will present the information to the LEPC on the 15 <sup>th</sup> of November. The program could be organized to start with by having the CERT members coordinate the map of their neighborhoods. The training class last for 90 minutes and defines a neighborhood as the number of houses you can walk to and check on in one hour, is usually 15 to 20 houses. We will decide on the action to take after the LEPC members.	m ping This
Affiliate Reports  Wayne – He would like to have a short table top discussion of an incident at each I meeting in order to have a short training at each meeting. After a brief discussion decided that we could go over the recent ICS table top at the next meeting. Steve – Scott Peterson is working on a way to have Steve present his Traffic contratraining to other CERT groups around the state.  Melinda – The Madison Valley Hospital staff is starting to plan a Community Health for the Spring and would welcome any and all assistance in the planning and exect of the fair. There is an initial planning meeting on Thursday morning at 7:00 am in Boardroom of the Madison Valley Hospital.	it was ol n Fair ution
